

What is Birthright?

Birthright is a nonprofit, established in 1968, to assist a pregnant woman and her unborn child.

Birthright is a pregnancy resource center where anyone concerned about an unexpected pregnancy can find help as near as the telephone. Birthright offers free, confidential pregnancy testing, maternity and baby clothes, medical resources, and more!

Birthright starts by listening with love and understanding. We don't make decisions for you and we don't pressure you. We work with you to meet your needs.

We are staffed by trained volunteers prepared to offer loving, personal, confidential help to all who are involved in the pregnancy. Together, we'll explore options available so you can make choices that are best for you and your baby.

Our services are free of charge, regardless of your income level.

Birthright commits itself to the conviction that human life, from conception to natural death, must be protected, loved and cherished. To meet this challenge:

-we affirm that, "It is the right of every woman to give birth and the right of every child to be born."

-we offer our clients community resources to help her and the unborn child during pregnancy, birth, and up to one year after.

BIRTHRIGHT OF HUTCHINSON

is currently in need of volunteers!

It is a 2 hour shift once a month.

We will train you....& God will bless you!
